# Singled Out For Him

## **Synopsis**

Nancy does not view singleness as a misfortune to be dreaded or resented, but rather, in the will of God, as a wonderful gift to be received with gratitude. She believes that the key to experiencing joy and fullness as a single is to discover and embrace the unique plan and calling of God. Drawing upon her own experience, as well as the lives of other single men and women who have been sold out to God, Nancy shares ten practical commitments that are the pathway to true blessing for every Christian single.

This is a book for singles that is not out there too much. It challenges singles to use their singleness to advance the cause of Christ with all of the extra time we have by not having children & spouses. The world's message is to live to please yourself, but this book - like the Bible - challenges us to live to know, serve, and please God.

When I read how old Nancy Leigh DeMoss was, I said to myself "There's hope for me in finding a godly mate yet!" After reading "Singled Out for Him," my thinking changed to "I want to be like her!" Her booklet has encouraged me so much in my walk as a Christian single that I'm purchasing 10 copies of it to pass along to other Christian singles to encourage them. I highly recommend that every Christian single read this book. (I agree that the booklet was too short but I'm still giving it 5 stars.)

This is a wonderful, yet challenging, book to all singles. You will be challenged in many areas of your life to live pure and holy before the Lord.

"Marriage is not about finding someone to make us happy; it is about learning to make someone else happy. It is not about getting; it is about giving. It is not about finding fulfillment; it is about self denial and sacrifice."Nancy is such a gifted writer and this little book is a little treasure for all the singles out there. Every word in it is important and the outcome profound.No woman can ever be complete and happy in man's love but only in God's love and it is not her job to look for a husband.

I purchased it for my single granddaughter. I read it first and it is well written with excitement being single and having purpose,knowing this is what God has for me now. I have not heard back from my granddaughter what she thinks, but it should be a real source of encouragement.

Price was a lil high for such a small book,looks more like a flyer; but info in book is good.

Nancy Leigh DeMoss is an encouraging, inspirational writer and speaker. I highly recommend this book, her cds, videos and other books by her.

This is a great book and the quality exceeded my expectations so I ordered several and will order again if the occasion comes up.
