# The Secret Of Guidance (Moody Classics)

## Synopsis

Now with a new foreword by Dallas Willard. F. B. Meyer writes, "The grace of purity and self-control, of fervent prayer and understanding in the Scriptures, of love for men and zeal for God, of lowliness and meekness, of gentleness and goodness--all is in Christ; and if Christ is in us, all is ours also." F.B. Meyer was a contemporary and friend of D.L. Moody who was also a pioneer in the field of inner-city missions work. Drawing constantly on Scripture in this book, Meyer exhorts us to seek after God's best for our lives by examining our inner motives, understanding Christ's role in our present-day, and then examining how we ought to then bear up underneath the secret of God's guidance.

## Book Information

## Customer Reviews

I am so glad the work of F. B. Meyer is available now on the Kindle. These classic works are so much more full of spiritual "meat" than most books published today. Meyer was a great expositor of Scripture and man of God. At these prices, one should feast.

This book will help a Christian discern God's guiding influence. There are many books on the subject, but this one helps a person dodge the pitfalls and dangers of self-deception that often accompanies the pursuit. Others are often more trouble than they are worth; how often do people say that God told them this or that, when all it is is a case of indigestion from too much cheese on

their pizza.

F.B. Meyer in this book answers that condition with this statement, "Oh, weary, perplexed and stupid children, believe in the great love of God, and cast yourselves upon it, sure that He will come down to your ignorance, and suit Himself to your needs, and will take 'the lambs in His arms and carry them in His bosom, and gently lead those that are with young." So much in this book for a thirsty soul.

F.B. Meyer, along with Spurgeon, is one of the great preachers of his day, and there aren't any of them anymore. You can read both of them, and marvel at the insight that they have into the meaning of the scriptures, and the ability they have to mine the treasures within. Kindle has enough material from both of them to provide years of reading and growth for anyone who desires a closer walk and companionship with Jesus.

I am interested in gaining insights from people who have demonstrated in practical ways how their relationship with God has transformed their life. Knowing that God loves us and wants to be involved in our lives can be a powerful motivation to discover ways to be sure you recognize God's presence and are effectively following His guidance. This book had a great deal of helpful and spiritually challenging insights that will assist my daily life. I would recommend it to anyone serious about the pursuit of biblical information that has the potential to change their lives in positive ways.

This is an encouraging book that talks about the Holy Spirit as a person and how to have a deeper walk with the Lord. It's short to the point, and easy to understand. I was encouraged, some of these older theologians can help young believers that want to grow in grace understand better what it means to walk with God.

What can I say except this is a fabulous book written by F.B. Meyer. It's one of my top favorite reads along with the Bible (of course), Knowing God by J. I. Packer, Mere Christianity by C.S. Lewis and The Christian in complete armour by William Gurnall (a great 3 book series on Spiritual warfare).

This is a great book. Five stars all the way. Very helpful for those who want to know God's will for their lives.
