Customer Reviews

This is great to protect your bible or even any other book really. The material is nice and it is well made. The zippers work as they should and there is a handle on the top for easy carrying. The one zipper is for the main area to keep your book in and the 2nd zipper is for an exterior compartment. On the zipper pulls is an engraved cross. Measures 10-1/2" x 7-1/2" x 2" Made in China. I received this product either free or at a discount in exchange for a fair and unbiased review.

I got this for my mom, the queen of pink, for her to use for her Bible. She really liked it and was happy with it. It fit her larger sized Bible perfectly. It was really easy to slide the Bible cover into the pockets. The zipper pulls have a small cross stamped into them. They pull easily and don't snag. It's easy to open and close. The pattern on the fabric is even and well done. The handle has a softer fabric under it to make carrying more comfortable. It has a pocket on the front for things like pens or bookmarks. It's a good size cover, quality made, great design, and works just as it should. I received this for review but all opinions are my own.

This is a cute pinkpink bible bag. I bring my Bible to church every Sunday in the Bible cover is not really sturdy is a paper about it so when I have a Bible cover or it will prevent my Bible book from bending and ripping. I usually leave my Bible in the car so when I ever go to church I will always

have it. This bag is very stylish and it fits my Bible perfectly. It's actually pretty good size so it's almost everybody out there. I got the pink one because my favorite color is pink. I received this product for free or at a discount in exchange for my honest and unbiased review.

I received this at a discount to review in exchange for my honest opinion!! This is a great cover for your Bible, fits a larger size Bible, has an outside pocket that zips with a cross zipper and the whole thing closes with the same zipper pull a silver cross charm. The inside is black and has a slot on either side so your Bible is secure and doesn't move or fall out there is also a place for your pen. Overall it seems to be well made the outside is a pink patent leather type material and has a handle so you can carry your Bible easily

Loving this bible cover it is really stylish and I am loving the quilted pattern on the outside of it. It has plenty of space in the inside of it for pretty much any size bible. And I know my daughter is going to love this. We got it in pink but it also comes in purple it's super cute. It is made from really good material and love the cross on the silver hardware zipper. Disclaimer I received this product for free or highly discounted for my honest opinion.

Gigi Chantal Pink Bible Cover I ordered this for a close family member who always carries her bible wherever she goes. She has had bible covers before but nothing like this one. This bible cover is pretty in pink-- The outside shiny material is beautiful and sewn very nicely in a small square pattern. The cover has a zippered front pocket that you can add things you may need to keep with your bible. The zipper clasp has a cross on it and it works great to unzip and zip closed. The back part of the outer side of the cover has a nice strong handle to help easily carry around. The main zipper part that follows around the outside of the cover is where you open/close the cover. When you unzip the cover and fold it out all the way you see that you can fit the average sized bible in the cover very easily. There is a little spot to hold a pen or pencil as well. The big zipper works great. Inside material is more of a thinner silky black. Overall the cover is sewn together well and it looks amazing. My family member will appreciate and enjoy this cute cover. I received my Gigi Chantal Pink Bible Cover for a discounted/free in return for my honest and unbiased evaluation and review.

This is a really cute bag and holds my bible really well. It is easy to slip in and really just adds a little character and protects my bible. I am thinking about getting one for my sister. Disclosure: I received the product mentioned above for free or at a discount for my unbiased and honest opinion. I was not

financially compensated in any other way for this post. The opinions are my own and based on my personal experience with the product.
