Jesus Our Life, Grade 2 3rd Edition Activity Book: Faith And Life

Synopsis

The Faith and Life Third Edition series is a minor update to the Revised Edition series so that all text and liturgical references conform to the implementation of the new Roman Missal. Revised Edition teachers' manuals may continue to be used with the Third Edition text and activity books as the changes are relatively few. A list of changes with side by side textual comparisons to aid teachers using the Revised Edition teacher's manual is available from the Faith and Life series website. This Faith & Life activity book is designed for use in the home or classroom and provides creative activities for review and reinforcement of each lesson. Through carefully developed and selected activities, the emphasis is on understanding and putting into practice the teachings of Christ in everyday life. THEME: Preparation for the first reception of the sacraments of Penance and Holy Communion, with the law of God and salvation history as background. The lesson emphasizes God's mercy and love. Covers Commandments, Creation and Redemption. SEQUENCE: Ch. 1-16: God teaches us through his law; we obey through love. Ch. 17-23: We find forgiveness of sins through Jesus' sacrifice. Ch. 24-34: We prepare for life in Heaven by reception of Jesus in the Eucharist and our life in the Church. AIM: To prepare second grade students for Confession and Holy Communion, and to help them appreciate God's love for them shown in these two sacraments. There is an added emphasis on the order of the Mass and on prayer.

Customer Reviews

Words are clear, my 7 year old finds it easy to read and follow. does need some parental assistance

but is manageable for the most part by a child.

The book is great, after I finally got the right one. Probably would not buy from the same seller again!

Exactly what I needed.

Good book
