# Smart Girls, Smart Choices: Avoiding The 10 Biggest Mistakes Young Women Make

## Synopsis

Every young woman makes mistakes at some point in her life. Usually they are not a big deal and can be fixed. Sometimes, though, a girl can really mess up her life with a few bad decisions. Wouldn't it be great if everyone had a trusted big sister they could turn to for advice? Megan Clinton, college student at Liberty University and the author of *Totally God's*, has a heart for teen girls trying to make their way in today's world. She's discovered 10 things that girls do that make their life crazy. In a comfortable, friend-to-friend style Megan gives compassionate help and godly counsel, including what to do if some bad decisions have already been made. From hanging with the wrong crowd, to confusing sex for love or not understanding their own gifts and strengths, Megan helps girls see their path more clearly and find God's way of living. Megan's dad, Christian counselor Dr. Tim Clinton even adds his thoughts and advice—as a loving dad and as a counselor. This practical, heartfelt book will help every teen girl make smart choices for her life.

## Customer Reviews

Five stars are not enough for this book. This is one of those books that if you judged other books by it, no other book would be able to receive 5 stars. This book is "the best of the best", awesome, wonderful, magnificent, beautiful, encouraging, heart-healing; I think you get the point. Please beware that my review of this book will not do it justice, as I know of no way to do that. This book is simply so good, that there is no way I can exclaim it. Also, this book is geared toward "young adult girls", as in college age. I am far from that, but I still gained so much from this book. Even if you are

like me, and way past that "straight out of high school, and into college" age, this book can still help you. This book talks about 10 common mistakes that young women make, and how to avoid/correct them. Even if you are old, like me, it's never too late to change and correct your mistakes, or to be encouraged. And even if you are a male, you can still read it, because males make mistakes, also, and this can help them to get on the right path. So what I'm saying is, even though this book is for young adult women, anybody, of any age or gender, can benefit from it. This book is a Christian book, and instructs and encourages you how to be "God's Girl". This book has so much good stuff in it, I don't know where to start. Now that I've read it, I want each of my daughters to read it. I doubt if my son will read it, though. This book gives so much encouragement, and Bible scriptures to back it up. It gives the straight-forward truth. It is hard for me to believe it was written by a college student (where did she find the time and energy?) and it turned out so good. I looked her up on the Internet, and it looks like she is now a dentist.
