## **Customer Reviews**

My reading area is transformed by this tiny book of words so comforting and tranquil. Christmas is certainly not the only season of the year that it will be used as "Living Christmas Every Day" brings to light the blessing we receive and give every day of the year.

I LOVE Helen Steiner Rice. I have some of her books. But I didn't know this particular book existed until I saw it on . She truly writes from the heart.This is a great concept for a book--taking the values of Christmas and applying them to everyday living.Also recommended:Helen Steiner Rice: Ambassador of Sunshine--Helen Steiner Rice's life wasn't without trials and heartaches. But she chose to have a positive outlook--and passed it on to countless others through her writing.Christmas Gifts, Christmas Voices--a touching holiday story. Some parts are heartbreakin, but the ending leaves you with a peaceful feeling.

Reviewed by Irene Watson for Reader Views (9/07)This is a perfect gift book, or a book to own and keep on the bedside table year round. Although the title includes Christmas, the words of devotion

are intended to keep the spirit of Christmas throughout the year. The author, Helen Steiner Rice, died in 1981; however, her devotional effort lives on. Her works are categorized into sections: Celebration, Joy, Giving, Prayer, and The Greatest Gift. I was inspired by the first narrative in the book titled "Let Us Live Christmas Every Day." The author questions: Have you ever wondered what it would be like to live in the world of Christmas all year long? Too often we succumb to the commercialism of the season, rather than "allow the principle attributes of Christmas - selflessness, humility, hope, love, generosity, and kindness - remain. The joyful, peaceful, and abundant heart is the one that celebrates Christmas every day." And, that's exactly what this little book helps us do. The poetry and readings are filled with incentive to truly keep the spirit of Christmas alive throughout the year. Give "Living Christmas Every Day" as a gift to yourself or someone special. It is a keeper! Received book free of charge.

H.S.R. is my favorite poetess. She lived a life of joy and grief. Her attitude is clear with her messages of hope. The book arrived quickly and was in great shape.

Helen Steiner Rice is one of my Favorite Christian Poets. I absolutely recommend her to everyone
