Full of great pictures of tractors. Real people do want they like. I am a bit bias but my son is in this book on page 50-51. His friends who he competed against also in the book. Lots of history in those beautiful pictures.

Nice big book with great pictures and a lot of tractor information. Perfect for my 8 year old grandson who is a tractor expert.

Great for my father the farmer. Not ideal for 3-5 yr old boys. Much too technical. Not a kids book.

My grandson loves all things tractor. We purchased this book for him as a birthday gift for his 2nd birthday. He loves it!

My 8 year old boy loves this book. The book is way better then I expected it to be. Great photos!

Very cool and complete history of tractors.

It was a hit with the grandkids.

Really Nice Book - Informative!
