Customer Reviews

My son loved this book from the second he saw it. A book shaped like a shiny race car. The window is a hole and can be used as a handle to carry it. He has taken it everywhere since he got it. The story begins with "Race car, race car, zoom zoom, go! Around the race track, never slow!" And the rhyming story goes on to the finish line. The illustrations depict the race, from start to finish. They are full of action and children love them. The easy rhyming text is accessible to younger readers to practice sight words. The story is fun and the book was an instant favorite. It will be fun to read again and again.

got for a 3 year old nephew who is six now and has 3 little brothers. they'll all get to enjoy it.

Simple book, but my toddler loves the sounds and the handle!

Cute cute book. Very simple reading. Sturdy book!

My grandson loves it.

Thanks

Cute.

You get what you pay for when you buy a kids used book. But my 2 year son likes it no matter used or new.
