Mud Pies And Other Recipes (New York Review Children's Collection)

Synopsis

Whether youâ€™re entertaining garden sprites, feeding a regiment of toy soldiers, or simply whiling away a lazy afternoon, *Mud Pies and Other Recipes* is the only make-believe cookbook youâ€™ll ever need. With Marjorie Winslowâ€™s timeless guide on hand, youâ€™ll never be at a loss for something to do in your backyard or by the seashore; youâ€™ll be busy scooping up sand (a filling for Stuffed Sea Shells), hunting for flower petals (they make lovely hors dâ€™oeuvres), and collecting raindrops (essential for brewing up Fried Water). The book is organized by course, and includes a general discussion of yard cookery along with detailed ingredient lists, methods for preparation, and helpful serving suggestions. And on every page, Erik Blegvadâ€™s delightful pen-and-ink drawings ensure that *Mud Pies and Other Recipes* is a feast for the eyes as well as the imagination.

Age Range: 5 - 9 years

Grade Level: Kindergarten - 4

Customer Reviews

For years I have mourned the loss of many of my girlhood books. My mother and other "well-meaning" people would periodically go through my room while I was at school and take away whatever they felt I was "too old" for, or whatever they didn't like, or whatever wasn't appropriate to their minds, and so forth. (This happened to children before the 1980s, when children began to be

the focus of every family. Now kiddos basically rule the parents, and this stuff doesn't happen. Back then, it was absolutely routine and accepted. Your parents OWNED you and all your possessions.) This cleaning-out included my bookshelves. During one of the periodic trashings, my copy of MUD PIES AND OTHER RECIPES by Marjorie Winslow disappeared. Of course I didn't know to look for it at the time; I was a busy third- or fourth-grader. By the time I missed the book, it was long gone. Why would they take a book that was sentimental to me, that was so dryly witty and readable, that was autographed by someone I no longer had contact with? They didn't see books as valuable, and still don't, in fact. But I always mourned the loss of this one, and I hoped someday to run across it at a used bookstore or flea market or antiques mall. It was one of the items from my Magical Childhood. By serendipity I discovered it here. It's back in print!! Along with many other beautiful facsimile editions of various books I either remember from childhood or wish that I did. I went crazy when I saw this line from the New York Review of Books (bless those editors!) and ordered several of them--for myself.
