The Son Of David (A 10-week Bible Study): Seeing Jesus In The Historical Books

Synopsis

âœYour kingdom come, your will be done, on earth as it is in heaven.â • (Matthew 6:10) What kind of king and what kind of kingdom are we asking for when we pray this prayer? Jesus taught us to pray? A study of the Old Testament Historical Booksâ "Joshua through Estherâ "enables us to see the kingdom of God not only as it once was, but also as it is now, and as it will be one day. Over ten weeks of guided study, relevant teaching, and group discussion, seasoned Bible teacher Nancy Guthrie traces the history of the people of God from the time they entered the Promised Land through a series of failed kings, exile, and finally their return to await the true King. Readers will see Jesus as: the greater Joshua who leads his people into rest; the greater Boaz who has done all that is necessary to redeem; the greater King who will sit on Davidâ™s throne forever; the greater Restorer who is building his church from ruined stones. Gain a fresh perspective on Israelâ™s history and Godâ™s kingdom, a broader understanding of Jesus as the fulfillment of Scripture, and much more when you join with Nancy on this incredible journey to see Jesus in the Old Testament! * A leaderâ™s guide is available as a free download at SeeingJesusInTheOldTestament.com and a supplemental DVD of Nancyâ™s teaching is also available for purchase.

The Son of David is the third book in the Bible study series, Seeing Jesus in the Old Testament. This particular book is subtitled Seeing Jesus in the Historical Books as it takes readers through the books of Joshua, Judges, Ruth, I Samuel, II Samuel, I Kings, II Kings, Ezra, Nehemiah, and Esther. I

really enjoyed this Bible study. It's designed to be 10-week group study, but I went through it myself in just a couple weeks. Each chapter contains a personal Bible study section, a teaching chapter, and a discussion guide. There are a lot of events that take place in the historical books, but Nancy Guthrie picks out key points in each story that lead readers through the history of Israel. I love that I was able to get an overarching glimpse into Israel's history as recorded in the Scriptures. I think many people don't enjoy reading the OT because there's a lot of information that is sometimes hard to understand, and it can lead to an overwhelming feeling and possibly boredom. But Nancy really brings it alive. You won't read through each book in its entirety; rather, you will study key passages that connect the themes and history woven throughout the Old Testament. I learned a lot from this study! What I like best about this study is that Nancy points the readers to Jesus through every passage, every theme, every story, and every hero. The title "Seeing Jesus" is indeed fitting for this series. In this book, we see Jesus as "the greater Joshua who leads his people to rest, the greater Boaz who has done all that is necessary to redeem, the greater King who will sit on David's throne forever, and the greater Restorer who is building his church from ruined stones." She connects each story to God's kingdom and to Jesus as the ultimate fulfillment of every promise.
